# The Energy Code Workshop™ *for Students*

# ENERGY CODE TRAINING AND HIGH PERFORMANCE RETROFITS

Keep pace with a rapidly changing marketplace. This special session shares energy efficiency strategies that are transforming the housing industry as guided by the International Energy Conservation Code 2009 (IECC 2009).

Participants will see 4 Phoenix remodel case studies that are green certified, and are 40% more efficient than newly built homes. This session is presented by GreenStreet Founder, Philip Beere, recognized as the leading green remodel expert in the United States and the 2011 and 2010 NAHB Green Remodel Advocate.

This powerful session will strengthen your resume, and provide you with the cutting-edge information needed to position you ahead of the competition.
